Online Safety Policy

Purpose:

- To educate young people about safety online issues and appropriate behaviour so that they remain safe and legal online.
- To assist students to develop the necessary skills to allow them to stay safe online
- To keep personal data secure

Benefits of the Internet:

Students can benefit in a range of ways through safe use of the Internet in School. These can include:

- Unlimited access to educational resources from around the world
- Contact with other schools
- Access to experts, organisations etc. that can aid learning
- Interactive learning tools, collaboration both locally and internationally, updates on current affairs
- Access to learning materials
- Access to case studies, videos, interactive media, specialised software that aids learning

Definitions:

When referring to the use of technology to access the world online, this policy refers to emails, websites, instant messaging, chatrooms, social media, smart phones, blogs, podcasts, downloads, virtual learning platforms.

Links to policies:

The Online Safety Policy should be used in relation to, and where appropriate, policies on Child Safeguarding, Anti-bullying, Behaviour, Mobile/Smart Phones, the Code of Conduct, Data Protection, Staff Disciplinary Policy and Procedures.

Roles and Responsibilities:

All staff have a role to play in helping ensure online safety. Ultimate responsibility will lie with the Headmaster and the Board of Management.

Online Safety in the Curriculum:

Some of the issues related to staying safe online are delivered in the lower school curriculum include as follows:

- The dangers of communicating digitally
- Cyberbullying and the use of inappropriate images and words online
- Inappropriate messages and postings and the uses of software filters
- Protecting data, including documents
- Online viruses and protection through anti-virus software
- Personal data and identity theft
- Other strategies for staying safe online
- Awareness of copyright laws and the use of the Internet for project work
- Not responding to junk mail and email filters
- Avoiding financial transactions online without adult supervision

In other year groups in middle and upper school (PSHCE), some of the topic areas include:

- Legal and personal risks in sharing images online
- Managing the risks online
- Your online presence
- Privacy and abuse
- Dangers of social media

Misuse of Technology:

The misuse of ICT equipment in school includes:

- Downloading or installing software on school equipment
- inappropriate communication online with other students and teachers, including the use of offensive language
- Browsing, downloading or forwarding offensive or illegal material
- Using school equipment to bring the school into disrepute or to cause distress to members of the school community
- Not respecting the privacy of others data or work online
- Attempting to bypass school filtering systems or firewalls or hack the server
- Any other action which threatens the safety of any member of the school community

If ICT equipment in school is used inappropriately by students, any of the following sanctions will apply:

- Detention
- Suspension
- Removal of any privileges
- Non-participation in a school event
- Non-participation in an event overseas/representation of the school overseas.
- Depending on the seriousness of the incident, possible permanent exclusion

If ICT equipment in school is used inappropriately by staff, disciplinary procedures may be enforced based on the current Staff Disciplinary Procedures.

Reporting Incidents:

A member of staff or a student may report any misuse of the school's ICT equipment.

A member of staff wishing to report should refer the matter to an Assistant Head of the Deputy Head, having completed the Report Form (See Appendix). If the case involves child protection, the procedures for reporting in the school's Child Safeguarding Policy must be adhered to.

Any student may report a concern to their Head of Year or an assistant Head. The report Form should be completed in this case by the Head of Year or Assistant Head

Appendix I

Declaration on Online Safety

At The English School, Nicosia we understand the importance and benefits of emerging technologies for students' learning and personal development. However, we also recognise that safeguards need to be in place to ensure young people are kept safe at all times. Please could parents read and discuss this policy with their child and ***then sign and return it to the relevant Form Tutor.***

- I will only use ICT systems in school, including the internet, e-mail, digital video, mobile technologies, etc. for school purposes.
- I will not download or install software on school equipment.
- I will only log on to the school network with my own user name and password.
- I will follow the schools ICT security system and not reveal my passwords to anyone and change them regularly.
- I will only use my school e-mail address on ICT systems in school.
- I will make sure that all ICT communications with students, teachers or others is responsible and sensible.
- I will be responsible for my behaviour when using the Internet. This includes resources I access and the language I use.
- I will not deliberately browse, download, upload or forward material that could be considered offensive or illegal. If I accidentally come across any such material I will report it immediately to my teacher.
- I will not give out any personal information such as name, phone number or address.
- I will not arrange to meet someone unless this is part of a school project approved by my teacher.
- Images of students and/or staff will only be taken, stored and used for school purposes in line with school policy and not be distributed outside the school network without the permission of a teacher.
- I will ensure that my online activity, both in school and outside school, will not cause my school, the staff, students or others distress or bring the School into disrepute.
- I will support the school approach to online safety and not deliberately upload or add any images, video, sounds or text that could upset or offend any member of the school community
- I will respect the privacy and ownership of others' work online at all times.
- I will not attempt to bypass the internet filtering system.
- I understand that all my use of the Internet and other related technologies can be monitored and logged and can be made available to my teachers.
- I understand that these rules are designed to keep me safe and that if they are not followed, school sanctions will be applied and my parent may be contacted.
