Dear Parent/Guardian,

**Ref: Entrance Examination Saturday 14<sup>th</sup> March**

I write to inform you that, following the decision of the Ministry of Education to suspend admissions examinations, the English School's Entrance Examination will be postponed until the beginning of April. I apologise for any difficulties that this might cause, however, we must follow all preventative measures advised by government ministries. I will write to confirm the new date of the Entrance Examination as soon as the Ministry of Education informs us of the revised timetable.

Yours faithfully,

*David Lambon*
