Finding your results:

Cambridge Results:

Cambridge has issued login details for CIE Direct (<https://myresults.cie.org.uk>) to all candidates entered for the summer 2022 examinations, whereby candidates can access their results online. **The login details have been forwarded to all candidates involved via email, to their school email address on 22 March 2022.** If any candidate is not able to access the email with the login details, please contact Ms Elena Kazantzi at exams@englishschool.ac.cy. Alternatively, you may pass by the school's reception when the results are out to collect your results envelope.

Pearson/ Edexcel Results:

Pearson/ Edexcel has an online results tool called ResultsPlus Direct (<https://www.resultsplusdirect.co.uk/students/login.html>) which can be accessed by students for viewing their results. Results will be available in ResultsPlus Direct at 11:00am on results dates.

New Users:

The Exams Office has entered in this system all students that have registered for the first time with Pearson/ Edexcel. **The ResultsPlus Direct verification code has been provided to all candidates involved via email, to their school email address on 22 March 2022.** This verification code/URL requires activation against your school's email address. Once you have activated your email address against this code, you will then receive a welcome email directly into your inbox. To activate your account, you must then click on the account verification link contained in the welcome email and validate your account by answering security questions.

It is important you keep note of these security answers. Once your account has been verified, your password will be created. You can then use your email address and password to login. **Please do not misplace your username and password as you will need them for accessing all future exam results with Pearson/ Edexcel, registered through the school.**

Old Users:

If you have forgotten your password, you can obtain a new one by clicking on the “Forgotten your password?” link on the login screen below the “Change password” button. Type the email address you have used upon registration into the “username” field in the pop-up window that appears. You will then receive an email for setting up a new password.

If during the password reset procedure, you submit the wrong security details for more than three times, your account will lock. If this happens, you need to email Ms. Elena Kazantzi at exams@englishschool.ac.cy to unlock your account.

If you had an account last year and changed your email address, you will need to email Ms Elena Kazantzi (exams@englishschool.ac.cy). Ms Kazantzi will then update your email address in the system. You will then receive a welcome email and will need to repeat the activation process.

Note that if you have registered for exams with the British Council or any other exams centre, these results will not be visible in the ResultsPlus Direct account provided by the school. In this case, you will need to contact the British Council or alternative exam centre and request your results.

Three options available for accessing your results:

Post Results Services:

Exam grades should be a fair reflection of candidates' work, knowledge and performance in the subject taken. Sometimes, however, mistakes are made. If you believe that your result does not reflect the quality of your performance, you can ask for a review of marking.

Review of Marking Outcomes:

The following information explains what may happen when you apply for Review of Marking:

- a) **Your original mark is lowered**, so your final grade may be lower than the original grade you received.
- b) **Your original mark is confirmed** as correct and there is no change to your grade.
- c) **Your original mark is raised**, so your final grade may be higher than the original grade you received.

In cases (a) and (c) stated above, if there is a change **to the overall subject's grade**, either higher or lower than the original result given (i.e. from A to B or from B to A), you will be refunded the money paid for the review of marking.

Tips on whether to use the Review of Marking service:

Before deciding to proceed with a Review of Marking, firstly you need to:

- a) Ask yourself if you believe you did a lot better than the result outcome
- b) Check the grade boundaries and see how far you are from the next grade boundary
- c) If possible, consult your subject teacher or the relevant Head of Department for further advice.

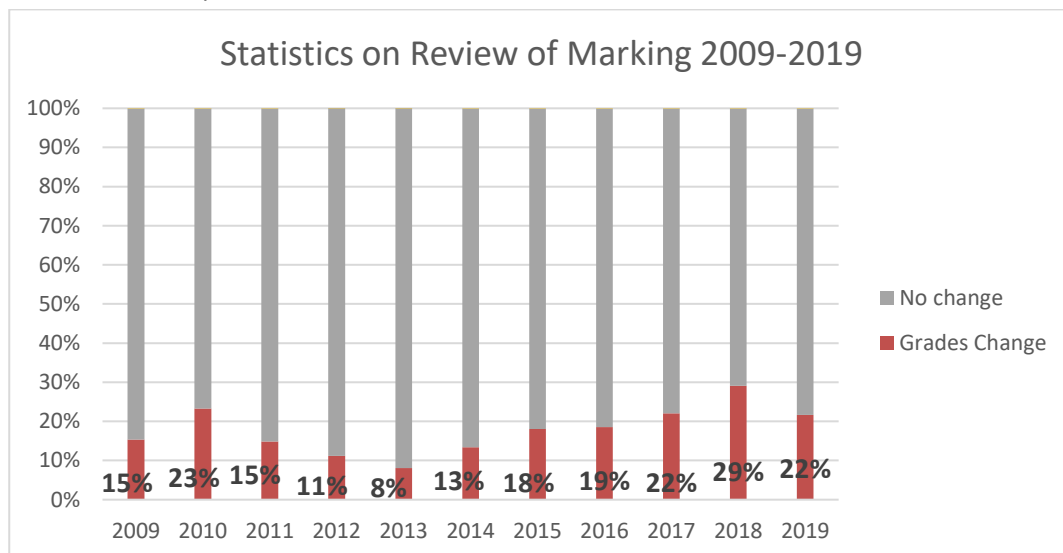

PLEASE TAKE NOTE:

Any decision to undertake a Review of Marking is at the candidate's own risk as there is a chance the Exam Board may deduct marks, leading to a points' reduction for a particular unit, or even a grade reduction.

Cambridge will not accept additional applications by the same candidate for the same or different syllabus at a later stage.

For each candidate, all components (papers) of the syllabus for which an enquiry is being submitted must be for the same service. For example, you cannot request Service 2S for one component and Service 1 for another component, if they are components of the same syllabus.

Students cannot submit applications for internally assessed components (i.e. coursework).
