COVID-19 Protocols

Dear Parent/Guardian

We hope you and your family have had a restful summer.

We are, of course, looking forward to welcoming your child back to school and are making all the required preparations with the aim of ensuring the health and safety of all members of the community at the School.

We are still awaiting additional clarifications from the relevant authorities on any changes to the COVID-19 protocols, but in the meantime I would like to list the measures and expectations that we will have in place as listed below:

- Appropriate surgical or cloth masks/face coverings must be worn at all times both in classrooms and outside. This is mandatory. Exceptions are for eating and drinking during breaks.
- Social distancing must be maintained. Students must avoid close contact at all times
- When entering a classroom, students must sanitise the desk they have been allocated.
- Students must remain seated in their allocated seat at all times in lessons.
- Frequent handwashing is recommended. We strongly recommend that students have with them
 a small bottle of sanitiser.
- We have a one-way system on stairways in the school, clearly sign-posted. These must be respected so as to avoid face to face contact when going up and down stairs. Exceptions apply at the end and beginning of Breaks when the traffic flow is uniform.
- When queuing at the Canteen, masks must be worn, and distances maintained.
- If a student is feeling unwell, he or she must stay home until fully recovered. For any suspected cases of COVID-19, medical advice must be sought immediately.
- Note that if your child has a PE class, he or she may come to school wearing their PE gear as the
 changing rooms will remain closed until further notice due to COVID-19 protocols
 ONLY school uniform PE gear will be permitted.

We are expecting that students will be required to show a 'Safepass' when attending school. <u>Details on the rapid or PCR test requirement will be forwarded when confirmed by the Ministry of Education in due course.</u>

In the meantime, with a view to allowing us to ascertain the degree of protection of our school community, please could you indicate in the link by clicking here whether your child has been fully vaccinated or not. If your child has indeed been fully vaccinated, you will also need to forward to us (via the link) the relevant evidence (either the digital Safepass or the paper based record).

For those who may have already been infected with COVID-19 within the last 6 months, again, we will need evidence that this is the case. This will be indicated in the link.

We are anticipating that students will be required to have a rapid/PCR test to attend school. We hope to have details on this soon and will be in touch once we have received confirmation from the authorities of the Republic.

Despite the relatively stable situation regarding COVID-19 infections in Cyprus, we are still determined to continue to make no assumptions that we are approaching the end of the pandemic. We are particularly

sensitive to the fact that when schools and institutes begin classes, there may be a spike in cases in the local community, some of them very serious. We, therefore, strongly advise that you emphasize to your child the need to maintain all protocols when outside the home to reduce the risk to bringing the virus into our school. As you will be aware, the current Delta variant is particularly aggressive and prevalent amongst young people. It is essential that the measures we have in place are fully respected by all students and staff. If not, we raise the risk of exposing the community to the virus.

Wishing you and your family a safe year ahead.

Yours sincerely

Yiannis Georgiou Senior Assistant Head August 2021

Year 4 YELLIS Aptitude On-Line Test and ID Photographs

Test Date: Friday, 03rd September 2021

Duration of the test (without administration): Maximum 1 hour.

ID Photographs will run concurrently. Students will need to be at School from 8.00 and stay until they have completed the YELLIS test and had their ID photo taken (see details below.)

YELLIS is a set of three tests we routinely administer to all Year 4 students to measure each Student's developed ability or aptitude for learning. The three areas are Vocabulary, Maths and Non-Verbal (ability to match patterns and apply visual intuition.)

It is an adaptive computer test, meaning that each Student will progress through the test and be given questions related to their level of response. The level of questions is thus adjusted according to each Student's answers.

The data produced from the tests can then be used to set academic targets for students during Years 4 and 5. This test is completely separate from the students' academic programme at School.

Students do not need to revise anything for these tests, but they need to concentrate and give their best effort.

Additionally, we will be taking ID photos of all students on this day to create up to date school ID photo identification cards. The cost of this ID is EUR10.00 and will be added to the annual tuition fee, so no need for the students to bring this amount of money for the photographer. Students need to bring these ID cards to all end of year and external exams and use them for the school buses and Library.

External Examinations: some important information

It is important to make a note of the information below:

System availability

The summer exams session registrations period is during the month of **November**. Specific guidelines and dates will be announced to parents and students in due time.

- a) ALL ENTRIES MUST BE MADE DURING THE SPECIFIC REGISTRATIONS PERIOD.
- b) ANY NEW UNIT ENTRIES MADE AFTER THIS TIME WILL BE CHARGED WITH A LATE PENALTY FEE OF EUR120.00, PER UNIT.

c) A double or even triple fee may be incurred after certain deadlines set by the Exam Boards, depending on the period you register.

Expected Exams for the academic year

The policy of the school is that all students enter for the exams of the subjects they follow at school, preparing them for IGCSE, GCSE, Level 2 Certificate, GCE A2, IAS and IAL. The subjects students will enter are indicated on the **Expected Entries** document emailed to each student. The expected entries will also be automatically displayed once students enter the Exams registration system.

The school accepts registrations only from current school students and only for the subjects they follow at school.

Any exams for subjects studied outside of school will not be accepted unless they clash (scheduled for the same day and time) with an exam studied at school. Students interested to register for exams in subjects followed out of school may register through another exams centre, i.e. the British Council.

Year 6 students wishing to register for GCE AS exams due to university requirements need to have permission for registering by the school. If this is the case, please email the Exams Office (exams@englishschool.ac.cy) and we will get back to you accordingly.

Upon confirmation of entries through the school's system, students also confirm that their personal details (i.e. spelling of name and date of birth) are correct. If any of these details are not correct, please inform the Exams Office immediately by uploading a legal document such as Birth Certificate through the Exams registration system. Failure to do so will result in Exam Boards issuing certificates with the wrong name. Exam Boards charge a fee for reprinting certificates after the summer session's results are out (September onwards) and provide a confirmation statement (not a certificate reprint) after December.

It is important that a copy of the application form with the payment receipt is returned to the English School Exams Office. Please email a copy of the transfer payment confirmation or payment receipt to exams@englishschool.ac.cy

Payments can be made until the **beginning of December**. Applications will not normally be accepted after this deadline.

Our school's Accounts Office will accept payments either by cash or cheque. If you pay at the school, you do not need to submit a copy of the payment receipt and application form to the Exams Office.

Failure to provide the English School's Exams Office with the payment receipt and application form before the middle of December may result in your entries being cancelled.

Refunds for cancellations or changes to entries

If you cancel an entry du<mark>ring</mark> the registrations window in November, the refund will be issued to you late February.

The full refund of the exam fees paid is granted for withdrawals made before the 20th February for Cambridge International and before the 21st March for Pearson/ Edexcel and AQA. After these deadlines, the school cannot guarantee that the money will be returned, as this will be at the discretion of the Exam Board involved.

Exam withdrawals are possible until the **22**nd **April** without prior approval from the Exam Boards. After this date, approval is needed from the Exam Boards, and there have been instances in the past where the Exam Board did not accept the withdrawal request and the students were given an "X" on their Statement of Results. Furthermore, when students submit the coursework component of a subject registered, the Exam Boards will not allow them to drop the subject's exams registration.

The school will issue any refund cheques after the 22nd April.

<u>Important Note</u>: It is The English School's policy to issue refund cheques on the name of the student's father. Therefore, please inform the Exams Office should you wish the refund cheque to be issued in another name.

Cash-in Codes (applicable for IAS and IAL only)

Kindly note that almost all subjects delivered at school are under the linear system. These subjects do not have a cash-in code and this will show on the Expected Entries document emailed to students by the Exams Office.

The school accepts registrations for the subjects delivered at the school only. Any exams for subjects studied outside of school will not be accepted unless they clash (scheduled for the same day and time) with an exam studied at school. Students interested to register for exams in subjects they study out of school, may register through the British Council.

For students with a clash that will need to register through the school, if the clash is with an IAL where cash-in codes are applicable, the cash-in codes will be automatically entered by the system with the exception of IAL Mathematics. The reason for this is that candidates sitting the same units can apply for different types of certification and thus different cash-in codes are available. For example certification in Mathematics, Pure Mathematics or Further Mathematics.

It is the Exam Boards requirement for candidates to enter the cash-in code(s) once they are eligible for a certification. Should candidates resit, a subject's unit(s) will re-open by stating the cash-in codes upon registration, so that the board can once again arrange the units in the best combination to give the

best possible grades for the candidate. <u>Note that the candidate cannot select which units should gounder which certification; this is automatically done by the Exam Board.</u>

All candidates entering for IAL **MUST** enter a cash-in code as part of their entry. Failure to do so or an incorrect cash-in code entered will mean no certificate will be issued for the candidate. Cash-in codes requested after the deadline for applications are subject to a late fee of EUR80.00.

Clashes

Clashes are exams scheduled for the same date and time. Information about any clash arrangements will be communicated on the English School Personal Exams Schedule.

SECTION E – Information about School Life

Procedure for signing out of School

- 1) If you are leaving School for an extended period of time, e.g. Holiday abroad, accompanying a parent abroad etc. Parents need to write a letter to the Headmaster and the relevant Assistant Head: Ms Elena Ignatiou (Lower School, Years 1-3), Ms Anne-Marie Tellalis (Middle School, Years 4-5) or Mr Yiannis Georgiou (Upper School, Years 6-7) two weeks in advance to request permission.
- 2) If need to leave School early for ANY reason, e.g. driving exam, a specialist appointment that cannot be arranged at any other time, Parents need to write and sign a letter requesting your early departure. During the breaks, you need to complete the sign out form found in the Main Office. The sign-out form accompanied by the letter from home needs to be approved by any Senior Leadership team: The Headmaster, Mr David Lambon, Senior Assistant Heads: Ms Ursula Pantelides or Mr Yiannis Georgiou or any other Assistant Head: Ms Popi Grouta, Ms Anne-Marie Tellalis, Ms Elena Ignatiou or Ms Maria Rousou). After approval, the Main Office Assistant will be calling your parents to confirm who will pick you up and at what time.
- 3) If you are feeling unwell, you are advised to stay home and rest. This will ensure your best recovery and respect others by avoiding cross-contamination.
- 4) GAMES are part of your school curriculum, and it is mandatory to attend. On these days, the school day ends at 3:30 pm. Games attendance is included in the overall attendance statistic.

The school policy clearly states, if you are well enough to stay during all your lessons, then you must remain for afternoon games. There is a non-physical activity for those unable to be physically active. Even if you have a medical note or parent's letter, not to participate in sports activities, you are not authorised to sign out.

Non-physical activity: at 2:10 pm or earlier and upon your arrival at the sports centre ALL non-physically active students, need to gather near the office for attendance and further instructions will be given.

- 5) If you are feeling unwell and you cannot participate in afternoon games, you need to see the nurse before 1.30 pm.
- 6) Only medical emergencies will be able to sign-out from School, e.g. fever, trauma acquiring immediate medical support.

Students must see the nurse first who will sign them out after speaking to the parents **under no circumstance should a student call the parent directly to collect them from School**. This will be seen as truancy.

Important reminders

- 1) All unauthorised sign-outs and absence from afternoon games will be recorded as an unauthorised absence, and three (3) behaviour points will be imposed, with possible further sanctions
- 2) Do not arrange any appointments during afternoon games unless it is a medical emergency.

If there is a medical emergency, a doctor's note stating the emergency reason and time of your visit should be submitted to the School by the following day. Notes arriving later will not be accepted.

- 3) Medical Reports and Parents' Letters: Should state the condition, symptoms and treatment, if immediate rest is required, this should be stated on the report.
- 4) For those who have a medical reason not to be physically active, you are not to sign out; you will attend the non-physical option unless there is a written request for rest after the School signed by the doctors or parents.
- 5) Upon arrival at the nursing station, inform the nurse you are outside (time of your arrival and departure will be noted on your permission slip)
- 6) During lessons ONLY if there is an emergency should you visit the nurse.
- 7) If you have a parent/medical note to submit, do this during breaks; otherwise, this will not be accepted.

Parents will be contacted by the nurse (for medical reasons), or admin staff as outlined above to collect their children.

The English School Performing Arts Club and Activities

You are joining a long tradition of students who have come to the School and who have enjoyed music, drama, taken instrumental lessons, sung in the choir and performed in plays and musicals. There are many opportunities to become involved - the only thing missing is YOU!

To give you a brief taste of our activities, recent years' activities include our annual Talent Night performance at Strovolos Theatre, a joint Musical Vibes / Unite concert with other schools, a trip for Music and Drama students to London an Arts Week with the theme '50s is the word!' and an amazing production of the musical 'Grease'. The year 2020-2021 despite its many challenges included an online Christmas Event, an Arts week with the theme "Breaking the Chain" and many live performances on school premises.

This school year looks just as exciting. We are planning activities, workshops and performances for all year groups and all ensembles, including a trip at the end of the academic year.

We strongly recommend that you come and visit us in our music suite, situated just behind the Hall, and talk to us about how you can get involved. Whatever you decide to take part in, we plan to make your experience as rewarding and enjoyable as possible.

Here are some of the things available to you on joining the School's Performing Arts:

Instrumental Lessons

We offer paid instrumental lessons in all instruments, including classical and jazz piano, electric and classical guitar, bass guitar, drums and voice. For more information on this programme and how to register, please click here.

For the year 2021 – 2022 there will be a few orchestral scholarships available – more details will be available at the beginning of the school year. Scholarships comprise the loan of the instrument and one 30 minute lesson per week. Please note that currently, scholarships are limited to the orchestral instruments only.

Lessons in Music Theory

We also offer lessons in small groups for music theory:

- o Grade 5 (no previous knowledge required) 8 month course
- o Grade 6 (a pass in Grade 5 is required) 1 year course
- o Grade 7 & 8 (a pass in Grade 6 is required) 1 2 year course

The day and cost of these lessons depends on the students involved. Click here for further details.

Thursdays 2:10-3:30 Girls Fridays 2:10-3:00 Boys

Nearer the time of performance extra joint rehearsals are arranged.

We encourage students to take part in the choir and experience the joy of group singing in a large enthusiastic group! We work on the basics of good singing through a variety of musical styles. Extra care is taken of the boys' changing voices at this crucial stage in their development. This is a fun, high energy group with lots of public appearances planned throughout the year.

Drama Club

The drama club brings the joy and power of drama to students through structured performances. You will have the chance to experience the excitement and rewards of theatre arts while developing poise, social skills, confidence and the ability to work with others.

At the end of year 3 you will have the chance to choose Drama GCSE.

Physical Education – Afternoon Games

Afternoon Games is one of the long-standing traditions of the English School aiming to provide further sporting opportunities to our students within our House system. They participate in a variety of sports activities with younger and older boys and girls, under the guidance of their Head of House. Students are exposed to a wide range of sports and are supervised by the members of the PE Department and our Specialist Afternoon Games Coaches. They have the opportunity to participate competitively in school sport when they are selected to represent their House and they also have the chance to develop into leaders, captaining their peers. Those who prefer a more relaxed, social and fun approach to sport, may participate in non-competitive physical recreation activities, through which they can strengthen their friendships and improve their fitness. Opportunities will also be available for students to assist their Head of House, for example, by reporting on House activities and Inter-House matches.

Afternoon Games Activities

We have continued to develop and enrich the programme of activities that we offer to our students, working with a number of specialist coaches. Following feedback from students, we decided to maintain the activities that were introduced in past years, such as Martial Arts/Self –Defence, Dance, Yoga, Handball and various Fitness Classes. Of course, we will also continue to provide the "tried and tested" options of Basketball, Volleyball, Table Tennis, Badminton, Football, Softball, Athletics, Futsal, Hockey and Tennis.

Our aim is to continuously monitor the activities that we provide to ensure that a wide variety of quality sports opportunities are made available to our students. We would be happy to receive feedback from any student/parent on any aspect of the PE Department Afternoon Activities programme.

Afternoon Games Days and Times

Afternoon Games is a compulsory part of the school curriculum and all students in years 1-3 are expected to attend on the relevant days and times.

Students Years 1-3

- Junior Boys Games: Thursday 2:10-3:30 p.m.
- Junior Girls Games: Friday: 2:10-3:30 p.m.

Students in Years 4-7

Students in Years 4-7 will be able to participate in sport through the extra-curricular programme of sports options, which includes School Teams and Sports Clubs.

Students leaving the School site whilst waiting for Afternoon Games

Some students leave the School site in the time between the end of morning lessons and 2.10 p.m. when Afternoon Games begin. There are issues of safety involved but the School cannot prevent students leaving after the final bell for morning lessons nor can the School accept any responsibility for anything that may happen whilst students are off-site. There is no direct supervision of students during this time

at School but there are always teachers around or other responsible adults who can help if the need arises. The School advises that students stay on the School site during this time for their own safety, since they have the option of using the School Canteen to buy food and drinks.

Changing Rooms and Personal Belongings

Students should use the changing rooms to change into their PE uniform for their sports lessons and Afternoon Games. A number of lockers are provided in the changing room corridor, where students can secure their valuables using a small padlock of their own (preferably a combination lock). Following requests from students, we have decided to allow those who wish, to take their School and/or sports bags with them to the facility that they will be using for Afternoon Games, so that they can better monitor their own belongings.

Given that about 250 students will be participating in Afternoon Games each time, then everyone should take special care to look after their own belongings and valuables. The PE Department takes no responsibility for valuables that are not secured in the lockers.

Advice to Students

Students are encouraged to use sunscreen and a hat to protect themselves from the sun during Afternoon Games. Also, it is good practice for everyone to have a water bottle with them, especially during the hotter months of the year, as well as an extra T-shirt to change into at the end of their activity.

Absence from Afternoon Games

Afternoon Games is part of the school programme of our Junior students and attendance is expected, as for all other parts of the curriculum. Students/Parents need to inform the School well <u>in advance</u> of any planned absences from Afternoon Games, to ensure the safety of our students. Please note that the same established procedures for leaving School early also apply to Afternoon Games:

- If a student needs to leave School early which involves them not attending Afternoon Games, then they need to make arrangements in the normal procedure, through the Main Office.
- If a student needs to leave School early because they are not feeling well, then they need to make arrangements with the School Nurse, preferably during one of the breaks. Please note that the Nurse will be based in the Sports Centre PE Office during Afternoon Games.
- Any other means of attempting to inform the School about absences from Afternoon Games (notes through other students to the PE Department/Heads of House) will not be accepted.
- If a student is absent from Afternoon Games and no arrangements were made with the Main Office nor with the School Nurse <u>in advance</u>, then they will receive an "unjustified absence". The consequence for an unjustified absence or truancy is detention together with 3 behaviour points issued to the Student, in line with school policy. If a valid excuse is presented to the School after the Student was absent from Afternoon Games, then the detention will be removed and 2 behaviour points will be issued for not making the required arrangements (for the Student to be absent from Afternoon Games) <u>in advance</u>.

Medically Excused Students

Students who cannot participate in physical activity and have presented a valid medical certificate to the School Nurse, will be offered a non-physical option for Afternoon Games. Therefore, they will still be able and expected to participate in this part of the school programme under the supervision of one of our members of staff.

Cancellation of Afternoon Games due to the weather

A decision will be made as to whether Afternoon Games need to be cancelled due to weather conditions by 2nd break, so that students can inform their parents and make arrangements to leave School earlier.

School Team Practices and Sports Clubs Training Sessions

The PE Department offers a wide range of School Teams/Sports Clubs in a variety of activities, for all ages of the School: Basketball, Volleyball, Football, Athletics, Hockey, Cross-Country, Tennis, Table-Tennis, Handball, Fitness Training, Yoga, Martial Arts, Choreography and Futsal. Furthermore, we try to provide opportunities to our students to represent the School in other sports such as Biathlon, Badminton, Gymnastics and Swimming.

Our School Teams train regularly and participate in the Ministry of Education Competitions, as well as in a number of tournaments that are organised mostly by the Nicosia Private Schools and various Cyprus Sports Federations. In recent years, our school teams had numerous successes in many sports, both in the Ministry of Education as well as in other Nicosia and Pancyprian Competitions.

Further details on the timing and venue of School Team Practices and Sports Club Training Sessions are available on our website.

The latest School Publication, "Brave New World", is a fascinating reading.

Publications – Extract from the Photography Policy

Following the application of the General Data Protection Regulation EU 679/2016 (the "Regulation"), which covers the collection, handling and processing etc., of a wide range of personal data, there is a need for holistic management and security of such data in all organisations. A category of personal data that frequently raises concerns about how to process and control is photographs, videos, webcams and CCTV images, especially when they portray children. These concerns arise due to the sensitivity that prevails in society for photographs of children published on the Internet or elsewhere regarding data protection. Furthermore, there are safeguarding concerns from publishing photographs or videos that reveal children's identity on social networks and possibly pose risks to children's physical and mental security. The English School ("the School"), in the context of the promotion of Student in House and extra curriculum activities and achievements, collects audio-visual material in the form of photographs and videos. This audio-visual material is mainly published for:

- information purposes on the School's website and prospectus material
- journalistic purposes for promoting the School's brand name and students' activities
- advertisement / promotional purposes of students' achievements and events on Social media (namely Facebook, Instagram, Twitter, LinkedIn and YouTube)

There are instances that the photos of staff and students are captured but are not published globally on the Internet. These cases are:

- Staff photos for ID Cards and CCTV images for security purposes
- Photos of students posted on classroom notice boards, Plasma TVs for Internal Communication

History photos in frames in teacher's or admin staff offices, conference rooms as part of School's rich heritage

The School in compliance with the General Data Protection Regulation has established this policy to protect the personal data of individuals appearing in the photographs and video materials and to ensure that the creation, processing and publication of the audio-visual material is in compliance with the Regulation and therefore the rights and freedoms of the persons depicted are protected. It is accepted that the taking of photos and videos and then posting them online was not an issue for English School so far and the existing policy followed served the School well. However, the Regulation offers a good opportunity that this policy is updated and linked to other policies of the School, namely Safeguarding, Anti Bullying, etc.

The complete Photography Policy can be downloaded and read by clicking on this link.

Through each academic year, The English School ("School") is organising many activities, events, ceremonies as part of the unique educational experience and opportunities available to our students. Most of the time, these events are covered by photography and/or video recording to promote these events, informing the public and keeping records of the historical record of the School. Parental and Students Consent is needed for students over the age of 14. Therefore we ask you to take the time to complete this consent form. Even if you disagree, it is important to complete the form indicating this, so we can follow up on all parents to get this information.

- Parental consent form to be completed by clicking here

Educational Visits

The school policy on educational visits rests on the procedures outlined in the Guidelines for Educational Visits, introduced in June 2018 and reviewed in June 2019. A full copy of the policy can be downloaded by clicking this <u>link</u>.

The policy aims to guide all teachers involved in planning and carrying out educational trips and visits. Within this document, the term educational visits and/or trips refers to: 'all academic, sporting, cultural, creative and personal development activities, which take place away from school and contribute to learning and development of those participating'.

The School fully supports such trips/visits as it recognises the tremendous personal value that young people participating will gain due to such experiences. They have opportunities to participate in activities and learn from experiences not available in the regular classroom setting. Such educational visits help young people to develop a wide range of valuable personal and social skills.

Unfortunately, during the previous academic year 2020-2021 trips and visits were severely hit due to COVID and the restrictions from the Ministries of Education and Health. The Ministry of Education has forbidden all trips, both local and abroad, until this day. We are hoping that 2021-2022 will be different with the following trips proposed to happen.

Information will be made available to parents and students should the trips take place.
