Mission Statement

At The English School, we place great value on the role of extra-curricular and co-curricular activities in developing well rounded, responsible and citizen-conscious individuals. These activities foster new areas of growth that help shape character, enhance interaction and promote leadership qualities. We strive to support a range of activities that students can choose from which are often led by an even initiated by students themselves, aided and facilitated by our dedicated staff. Students are strongly encouraged and even expected, to participate in at least one after-school activity.
