**Subject: Invitation to Apply for the Dr. Andreas Mavrides
Distinguished Achievement Scholarship**

Dear Parents and Guardians,

I hope this letter finds you well. I am writing to extend our heartfelt gratitude for your continued commitment to supporting the education of our exceptional students at The English School. In line with this, we are excited to announce that applications are now open for the prestigious **Dr. Andreas Mavrides Distinguished Achievement Scholarship**.

This scholarship, awarded to a second-year student, is a unique opportunity that will cover €5,000 of the recipient's tuition fees each year until graduation, offering invaluable support to families and recognizing students who exemplify both academic excellence and strong character. The selection process includes a holistic review of students' performance and attitude in Year 1, ensuring that the award is based not only on the application but also on prior academic and personal development.

We would like Year 1 students and parents to be aware of this prestigious scholarship from the start of the academic journey, so they can aim for it early on. By beginning to prepare in Year 1, parents can support their child's efforts to become a strong candidate for this award, which covers a significant portion of tuition fees through to graduation.

Eligibility and Scope

The scholarship will be awarded to a student currently in their 2nd year at The English School and is intended to support families needing tuition assistance, ensuring inclusive candidate selection.

- **Academic Excellence:** Candidates must consistently rank within the **top 10%** of their year group in terms of academic performance demonstrating dedication and a strong work ethic.
- **Character and Ethos:** The student should demonstrate qualities that reflect the values of the Scholarship, its Donor, and the ethos of our School
- **Holistic Review:** In addition to the application, the selection process includes a comprehensive review of the student's academic and personal development during Year 1.

Ongoing Requirement: The selected scholar is expected to maintain their position in the top 10% of their cohort each academic year while upholding exemplary conduct, both in and outside the classroom.
